Announcement

The Shorthorn Breeders of Ohio have long been nationally known as producers of top Shorthorns. Shorthorn history and tradition has been made and retained by our many able breeders.

It has been our aim to make this a quality sale and with this thought in mind the sale committee made their rounds of inspection and we feel sure that we are offering a highly respectable group of young cattle.

There have been many new herd bulls come into use in our herds in the past few years and their good qualities have been transmitted to the cattle we are selling. A study of the pedigrees will reveal that they are absolute tops and the colors of these cattle are beyond reproach. We have many of the top American bred sires on top of the pedigrees but still in many cases the best of the Imported bulls or their top sons have seen service in our Ohio herds and their influence has shown a favorable result.

We are offering but a few bulls but they have been hand picked from the many that were offered and we are proud to offer a group of bulls with the good qualities that they contain. Several of them will do to head the better herds and any of them will work improvement on many herds.

The female consignment is without doubt on an equal with any consignment the Ohio breeders have ever been able to get together. We have a few cows with calves at side as this combination is always popular with the buying public. The large end of the offering is the bred heifer group and with the pedigree plus the individuality and color that they contain with their being mated with top bulls they no doubt will be sought after. To sweeten the offering we have gotten together a small group of open heifers and they are nice and just ready to breed to your good bull.

The cattle will be shown along with the cattle that will be on the ground for the State Show competing for \$1500.00 premium money. Show will begin at 9 A. M.

To all its friends, the consignors to the Ohio Shorthorn Breeders Association Sale extend a most cordial invitation to be with us on sale day.

J. B. McCORKLE, Secretary and Sale Manager

ELMHURST MORLEY 2141026

Was sired by Killearn Morley, a bull that was a winner at the International and a bull that sired lots of good calves for John Gardhouse & Son. Elmhurst Morley's mother is a good deep, thick, even roan Rosewood cow. This bull is an image of his sire. He is compact and low set and should develop into a real good bull. We have used him some and he has proven to be a sure breeder.

ROYAL PILOT 2158336

The sire of this bull is Maxwalton Matchmaker. He has proven to be a sire of merit of both bulls and females in the Good herd. One of the tops in the 1942 sale was a daughter from this bull and the two top bulls in the 1943 Wapakoneta Sale were sired by Matchmaker. Of course this bull is sired by the great Show and Producing bull Browndale Cumberland. The picture of this bull shows him to be a deep bodied, thick kind of an animal and he will be worthy of much consideration if you are looking for a herd bull.

CLAY HILLS GLOSTER 2d 2159428

A beautifully bred Duchess of Gloster by Klaymor Benefactor with two crosses of Browndale Captain on top. Two full sisters of this heifer have developed into outstanding brood cows, one having been purchased in the 1941 Ohio Sale by Dr. Parke Smith and produced outstanding calves in his herd. Paul Teagarden can testify to the ability of this heifer to produce. Add to this a mating with Marallbar Waverly and you will produce the best.

Eureka Lady Dorothy 2171011—You will find this Lady Dorothy Senior heifer calf to be very smooth, deep quartered, good strong topline and on short legs. Both her sire and dam are dark roans. We find in the study of the pedigree that quite a number of our better breeders bred the sires back of this heifer. She looks as though she would make a grand brood cow.
